

Each year, we throw away 1.5 million tons of paper in Massachusetts. Help us recycle more.

FREE PAPER SHREDDING!

Did you know that shredded paper can be recycled? It's easy! Come to the Shred and Recycle Earth Day event, place your unwanted private documents in a bin, and the bin will be emptied into a Valley Green shredding machine for safe and confidential destruction of your documents. All of the shredded paper will then be RECYCLED!

DATE: Saturday: April 7, 2018

TIME: 9am-12 noon

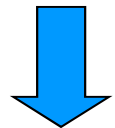

LOCATION: Longmeadow High School student parking Lot

2 blue bin limit
