

The Long Meddowe Days Tradition Continues into its 29th Year

The Longmeadow Historical Society is proud to present the 29th Annual Long Meddowe Days to occur on Saturday, May 17th, and Sunday, May 18th.

Long Meddowe Days continues on as a celebration commemorating our town history. The event takes place on our beautiful town Green. During Long Meddowe Days, the entire family will have a chance to shop for arts and crafts, take historic tours, march in the town parade, ride a pony, and enjoy musical entertainment all weekend long.

This year you can enjoy some events you've come to expect over the years as well as some new experiences. The celebration kicks off with Our Town Parade beginning at 9:00a.m. Saturday morning from St. Mary's School parking lot. As the date nears, we will announce the addition of some very special historical events with the help of the Longmeadow Historical Society.

If you have any questions, feel free to contact new chairperson Eileen Tremble Pisarski at 567-6688.

Please save the dates and let's look forward to a wonderful family event. Watch for upcoming information here as well as on the www.longmeadow.org.
