Grilled Raisin Cheesy

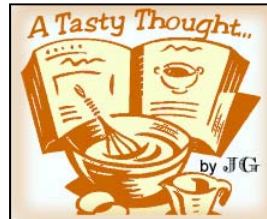

A new twist on a Grilled Cheese Sandwich! There are occasions when lunch seems like the same sandwich or salad or fruit & yogurt. Have you tried using cinnamon raisin bread for a grilled cheese sandwich? For an extra pleasant taste, place a thin slice of ham in the sandwich before grilling. Delicious! It reminds the members of my family of baked ham with a raisin sauce.

Ingredients for each sandwich:

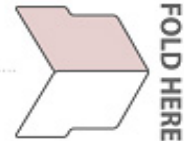

- (2) Slices cinnamon raisin bread
- 2 – 3 slices American cheese
- (1) Slice of thin ham (optional)

Method:

Grill each sandwich & enjoy.

Enjoy!!!
